Tuesdays **January 24 & 31, 2023** **2:00 pm – 3:30 pm ET**

2023 Billing, Coding, Documentation & Quality Webinar Series
Tuesdays | January 24 & 31
2:00 pm – 3:30 pm ET

NACHC's two-part **Billing, Coding, Documentation & Quality Webinar Series** offers health center clinical providers, revenue cycle, coding, and billing staff guidance on clinical documentation, professional coding, and medical billing processes.
Series participants will:

- **Review** the essentials of clinical documentation, professional coding, and medical billing processes to minimize errors and denials.
- **Receive** an overview of quality and accurate reporting for FQHC's, an explanation of frequently used key terms and concepts.
- **Gain** access to resources for continued learning and growth.

Learn more and register.

Webinar 1: Tuesday, January 24 from 2:00 PM – 3:30PM ET | Top 5 Documentation and Revenue Tips in Community Health:

In this webinar session we will review opportunities for Health Centers to improve their clinical documentation, professional coding, and medical billing with a focus on the unique CMS rules and regulations we face when reporting our valuable health services to our

various insurance entities. Webinar content is presented from the perspective of a CMS-approved Federally Qualified Health Center with a focus on details found within CMS Claims/Benefits Manuals Chapters 9 and 13.

REGISTER FOR WEBINAR 1

Webinar 2: Tuesday, January 31 from 2:00PM – 3:30PM ET | Treating Substance/Opioid Use Disorders via Medication-Assisted Treatment (MAT) in Community Health:

This webinar will outline the steps needed to effectively document, code, and bill for services including screening for SUD/OUD and providing care during the induction, stabilization, and maintenance phases of MAT. Individual state Medicaid issues are too numerous and will not be specifically referred to on a state-by-state basis.
