

BACKGROUND ON ASSESSMENT

Health Centers were assessed for their training and technical assistance (TTA) needs in Fall 2021. The results inform increased coordination, development and delivery of assistance to health centers while raising awareness of pressing needs. The National Association of Community Health Centers (NACHC) administered the assessment on behalf of the Health Resources and Services Administration (HRSA) and their 21 [National Training and Technical Assistance Partners \(NTTAPs\)](#).

RESPONDENTS BY TYPE

Small health centers defined as serving 10,000 or fewer patients.

Rural and urban classification derived from the 2020 UDS dataset, which is self-reported by the health centers.

66.7%

Two-thirds of the front line and operations staff worked in management or administration.

33.3%

A third of the front line and operations staff were clinicians and clinical support staff.

TOP TTA NEEDS BY SPECIFIC TOPIC

Access and Affordability

| TTA Topic | Specific TTA Needs |
|---|---|
| Health Insurance Eligibility and Enrollment | Developing healthcare navigator services |
| | Evaluating outreach programs |
| Outreach and Enabling Services | Implementing outreach programs/partnerships to address health disparities |
| | Developing outreach services to address chronic diseases or conditions |

Population Health and Social Determinants

| TTA Topic | Specific TTA Needs |
|-------------------------|--|
| Improving Health Equity | Techniques for assessing community-level barriers to health equity |
