THE NACHC MISSION

America's Voice for Community Health Care

The National Association of Community Health Centers (NACHC) was founded in 1971 to promote efficient, high quality, comprehensive health care that is accessible, culturally and linguistically competent, community directed, and patient centered for all.

Packaging and implementing evidence-based transformational strategies for safety-net providers

Bringing science, knowledge, and innovation to practice

We currently offer:

Organizational Assessment (Elevate Participants Click Here); This tool allows health center staff and leaders to reflect on their organization's progress in 15 change areas for transformation. It is intended to be completed by multiple staff across the organization, with results shared and discussed, so that teams can gain insights from multiple vantage points.

PCA/HCCN/NTTAP Staff Assessment (Elevate Participants Click Here); This tool was created for PCA/HCCN staff to reflect on their personal progress in 15 change areas for transformation, and 2 coaching skills. It is intended to be completed individually to gain insights and potential improvement points.

2021 Step-by-Step: Featuring Health Center, PCA, & HCCN Partners

COVID-19, Cancer Screening, Diabetes, & HTN

Interested in being a *featured* Health Center / PCA /HCCN?

- Elevate is looking to feature 2-3 health centers (together with their PCA/HCCN partners) in application of the VTF over the course of the year
- Interested organizations must be willing to have one or more staff members participate in the monthly learning forums (2nd Tuesday of each month, 1-2 pm ET) with some action steps in-between
