

Health Center Professional Development Program

The Role of Nurses in Value Transformation

When: October 19, 2023 1-2 pm ET

Health center nurses comprise approximately 23 percent of the medical service staff, approximately 20,877 nurses strong! Health center nurses play a critical role in value transformation and achieving the Quintuple Aim: improved health outcomes, improved patient experiences, improved staff experiences, reduced costs, and equity.

Join us for a chance to connect with nursing peers from health centers across the country who are participating in NACHC's Elevate National Learning Forum, and to engage in discussion around the role of nurses in health center systems change and value transformation!
